

Community Relations  
GKD – Exhibit

The Board welcomes the public use of school facilities for educational, recreational, civic, or social activities when these activities do not conflict with school use or with local and state laws or regulations.

School facilities are provided primarily for the use of students, faculty, and patrons of the school comprising groups or organizations operating within the boundaries of the District. However area-wide or statewide groups and organizations with which local units are closely affiliated may be granted use of school facilities in accordance with these provisions.

Authority to approve the use of school facilities is delegated to the persons listed below:
