“Choose to Commit”

Good Morning! Happy Valentine’s Day!

Have a great week!

Texas 85th Legislative session – please watch, listen and stay informed. Please communicate with your professional organizations as you deem necessary.

Hereford ISD Board of Trustees met last night February 13, 2017 and voted to call a \$45 million dollar bond for the following items.

- **Safety and security at each campus** – including but not limited to secure entrances, improved fire safety – fire alarms, strobes and smoke detectors, ADA Accessibility.
- **Multi-Purpose Activity Centers at each elementary campus (5)** – these facilities are to be used for physical education during the school day and during lunch, theatre or choir programs, awards assembly, parental involvement activities for students and children.
- **Early Childhood Education Center** – Instructional facility for our 3 and 4 year-old students. This would provide an opportunity for expansion allowing us to possibly create Pre-K classrooms for all students in the future.
- **Dressing and Learning Facilities** – Improvements to our varsity dressing rooms and gymnasium, new dressing and learning facility where the existing field house is located.

I will be setting a time to meet with each campus in the near future to go over the facts and answer any questions you may have.

THINK ABOUT:

“There is no end to education. It is not that you read a book, pass an examination and finish with education. The whole of life, from the moment you are born to the moment you die, is a process of learning.”

Jiddu Krishnamurti
