Committed to Children, Dedicated to Excellence

“Choose to Commit”

Good Morning, I hope this finds you all doing well!

This week is a short week and is the beginning of the last six weeks of work for our students and staff. We only have 26 more days to make a difference in the lives of the children in your classes this school year, make each day count. THANK YOU may seem like a simple thing to say but I want to say THANK YOU for all that you do each day for the students of Hereford ISD.

Bond Update:

Please remember we have a public meeting on ***Thursday May 4, 2017 at 7:00pm*** at the Community Center.

Early Voting – April 24-28 and May 1-2, 2017

Actual Voting Day – May 6, 2017

Questions about the bond:

Will any of the bond money be used for Stanton?

NO, Stanton will not receive any of the bond monies, should it pass.

The statement in the HISD brochure states: “This list is not exhaustive. Projects may not be constructed in the order listed above and are subject to change as District needs are further assessed and refined”

The above statement was added by our attorney; our goal is to honor the work outlined. This statement protects the district in the event we get into a project and something happens we are able to repair or take care of the situation at that time. NO, this will not allow us to do any work to Stanton.

GO VOTE and VOTE INFORMED!!
